December 2011 update

Finally Going!

Here's the news many of you have been waiting for. We are now officially at 100% of our budget for monthly partners which means we are cleared to buy tickets and make plans to leave in January! Thank you so much for your prayers and support. We are very excited to see it all finally coming together. God's timing is so perfect!

We are still a little short in the area of one-time expenses which will be used primarily for airplane tickets. If you have been considering partnering with us financially, please consider a one-time gift to help us in this way. As always, all gifts are tax deductible and can be set up on-line through the following link: [click here](#) or through mailing a contribution which includes our name and member #279488 to : Wycliffe Bible Translators P.O. Merry Christmas
