## "Am I on your prayer team?"

### Praises and Prayer Requests

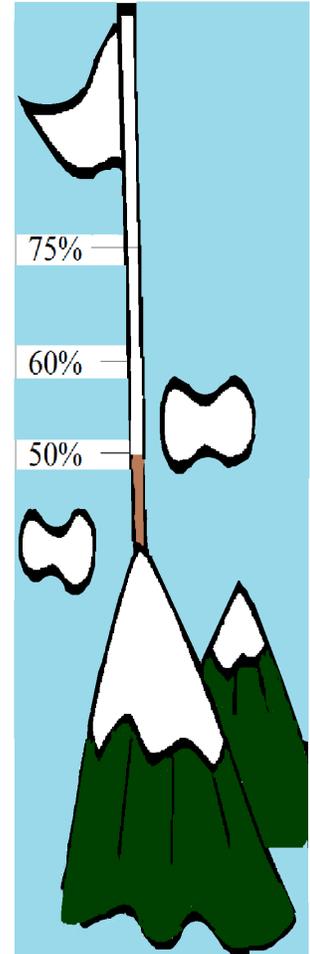

- Praise God that all of our stateside training has been completed!
- Pray for opportunities to share what God is doing through Wycliffe.
- Pray for prayer partners and financial partners to get us to PNG.
- Pray for Cathy and the kids as they continue to home school.

"I get your newsletter. Does that mean I'm on your prayer team?"

Many people receive our newsletter. We began by sending it to family and friends. Then we added people who signed up at speaking events or on our facebook page. But if you're a prayer partner with us and receive prayer updates, (more frequent and detailed than newsletters) it's because you chose to commit to praying for us and let us know.

We know that prayer is our greatest asset. We also know that God knows who is on this team. Our goal is to provide the opportunity to as many people as we can so that we can connect with those that God has called. If you'd like to partner with us through prayer, please let us know so we can add you to this vital part of our team! Use the link below.

## Can we share?

We have completed our training and now we're looking for opportunities to share with others what God has put on our hearts.

If you would like us to share in your small group or church, please let us know. We're flexible. We can share as little as 5-10 minutes or as much as a 45 minute children's program.
