

# 'Store'ies

July 2010

## Praises and Prayer Requests

- Cathy completed teacher training at the beginning of July.
- This is a time of transition for the kids because they will be home schooling in the fall.
- We are just shy of 50% of our monthly pledges. We need to reach 85% by September.

## Cathy Back From Texas!

Cathy is back from Dallas, Texas after completing a teacher training program June 27—July 3.

This was an incredible opportunity to prepare for teaching in Ukarumpa as well as acquire some tools for helping the kids cope with all the transition that is ahead. She even learned a little Tok Pison, the trade language Todd will be using to manage his team of national workers in the store.

She met some great people that we'll see again when we get there! She also had the chance to see how she personally fits into this vision God has given our family. We're excited to go and be involved!

Cathy at the International Children's Education Orientation. These are some of the faces we look forward to seeing again in PNG!

## Sharing the Vision . . .

We have been able to share the vision of Bible translation with many people. Some have never realized that there are people in the world without God's Word in their own language.

A few people have asked for more information about how they can be involved personally and one has even begun a partnership with Wycliffe right here where he lives in Gresham, Oregon! We are so encouraged!

## PNG News:

Papua New Guinea is located north of Australia. It is about the same size as the state of California and has over 850 spoken languages. About 200 remain to be translated.

The Molima people of Papua New Guinea will receive God's Word in their language later this month. The New Testaments in their language must be delivered to their island by air. Pray that an airstrip will be ready for the arrival of God's Word!

## Prayer and Financial Partners:

To partner with us visit our [Invitation To Partnership](#).
