Safe Travels Although transition is always difficult, we are glad to be home in Ukarumpa again. We were greeted by many friends welcoming us to our home here.

Our travels were very uneventful, which is how we like them. We made it onto each of our six flights and collected all of our luggage in between and at the end. Our first flight on our last day was late, but we were still able to come into Ukarumpa within an hour of our itinerary.

We were able to spend some time together as a family in Brisbane, Australia on our way back. This gave us some great down time together and some special memories. Thank you for your prayers during our travels.

Short "Summer"

Drew finished his 10th grade classes at Barlow High School on June 23. He and Alyssa both started school at Ukarumpa International School on July 19. "Summer" has been so short, but they are excited to be back.

Cathy is teaching at the secondary school this semester, continuing to work with students who have learning needs. She's been busy pouring over test results that were completed while we've been on furlough. Please pray for wisdom and direction as she makes decisions about how best to meet the needs of the students.

Todd was warmly welcomed back to the store. He's in the process of transitioning in while learning as much as he can from the interim manager while he was gone. Please pray for the transition to go smoothly.
