NEW JOB

Three weeks before we left Oregon in late June, Todd received an email from his current boss to prayerfully consider accepting a new position within the Branch here in Papua New Guinea (PNG). After much prayer and dialogue, he accepted!

It has meant an increase in overall scope and responsibility from his previous Store Manager role and one that now encompasses giving 'Senior Manager' oversight to not just the Store but also to our Centre's *Clinic, Guest House, Post Office, Print Shop* and *Shipping* departments(!).

This means he is no longer at the Store on a day-to-day basis, but is now active in a 'bigger picture' perspective. Friend and colleague, **Michael** (USA; see pic on right), is now overseeing the Store and doing a great job.

Todd with Michael & Tai (PNG; who had just retired after over **25 years** of faithful and dedicated service in the work of Bible translation)

"Hot off the press" Bibles for the Odeedee language on the Left, and the same Bible a few weeks later with a cover on the Right...and all were printed at the **Print Shop**. These Bibles will be dedicated in their village November 16th!

Nathan (PNG) and Tai at Todd's Store going-away **Bung Kai** (a gathering with food)!

2nd Term Begins...

Drew is busy with two (2) Advanced Placement (AP) classes this year (Stats & English) in addition to Pre-Calc & Physics. Thus far he's doing really well. Alyssa has really been enjoying her art elective as well as Color Guard during first term (see pic on left). Cathy is already beginning to prepare for the High School Play in third term (qtr.).
